

SUMMER SAFARI

Camp Activities

**NOW OFFERING 4
2-WEEK SESSIONS**

Session 1:
June 15-June 26

Session 2:
June 29-July 10

Session 3:
July 20- July 31

Session 4:
August 3-August 14

Math/Reading

Children will be introduced to Vedic math and practice the techniques through a game-based approach. Children will read and interpret texts independently or with a group.

Art/Crafts

In addition to open art exploration and crafts, children will work with a *specialized art teacher* learning brief art history through hands-on experiences with a variety of materials.

LA Boxing

Under the supervision of a *professional instructor* children will learn basic boxing and kickboxing techniques through drills and exercises.

Science/Cooking

Children will hypothesize and experiment with a variety of materials, make some of their own snacks and have the opportunity to work with a *professional chef*.

Music

Children will listen to and interpret music, sing, dance, play instruments, make their own instruments, attend a concert, and work with a *professional musician*.

Games/Puzzles

In addition to playing board, card, and cooperative games, children will have the opportunity to put together jigsaw puzzles and solve logic puzzles.

Lunch/Snack

Children must bring their own lunch however Math Monkey will provide a small afternoon snack.
